

Ricoh Group Sustainability Report 2012 released

Ricoh Company Ltd has released Ricoh Group Sustainability Report 2012. The report has been published for the first time as an integrated report including Financial, Social and Environmental performance.

With this report, Ricoh aims to address its stakeholders' need to have information on corporate social responsibility, such as the environment, governance, corporate citizenship, human rights and diversity, in addition to financial data, in order to provide a complete overview of the Group in a single document.

The Report can be viewed and downloaded [here](#)
