

JS Bank recognised for CSR activities

KARACHI: JS Bank has been recognised once again for its Corporate Social Responsibility (CSR) efforts by the National Forum for Environment and Health (NFEH) in collaboration with the UNEP at the CSR 6th International Summit, a statement said.

JS Bank has been awarded in the category of “Social Impact”. The award recognises the positive social impact JS Bank has had through its community programmes in the areas of health, education, sustainable development and relief efforts across the country, it said.

The award marks the recognition of JS Bank’s firm belief in giving back to the community at large. Among numerous NGOs and well-renowned organisations who had submitted their nominations, JS Bank was selected through a judges’ panel for being the best in overall “Social Impact” for the initiatives it has led across a broad range of segments, it added.
