

## **CapitaLand Limited (SIN:C31) publishes Global Sustainability Report 2013**

The latest CapitaLand Limited Global Sustainability Report 2013 (Report) is available online at <http://www.capitaland.com/sustainability/sustainability-report>. The Report is externally assessed to the AA1000 Assurance Standard and passed the G4 “Materiality Matters” check by the Global Reporting Initiative (GRI).

The Group’s fifth published global sustainability report, aptly entitled “Clarity: For Sustainable Growth”, outlines CapitaLand’s corporate responsibility priorities that form the foundation of its global reporting approach on corporate governance, environment, human capital development, occupational health and safety, community development and social integration initiatives.

CapitaLand’s sustainability strategy is founded on its credo of ‘Building People’. It is committed to internationally accepted guidelines to improve its sustainability engagement and performance.

CapitaLand welcomes feedback from its stakeholders as this enables continuous improvement in its sustainability policies, processes and performance. Please send your comments and suggestions to [ask-us@capitaland.com](mailto:ask-us@capitaland.com).
