LOS ANGELES, February 2, 2015 /3BL Media/ – CBRE Group, Inc. announced today that it has been recognized for the second year in a row as one of the Achievers 50 Most Engaged Workplaces™ in North America. This annual award honors top employers that display leadership and innovation in engaging their employees. Both years, CBRE has been the only commercial real estate services and investment firm on the list.

“CBRE is committed to fostering an environment where our employees are engaged and productive every day, whether it’s creating workplace environments that promote creativity and collaboration, providing professional development opportunities that allow them to stretch their minds and skill sets, or integrating wellness programs into our work environment to encourage a healthy work/life balance,” said Jennifer Ashley, Global Director of Human Resources, CBRE. “This award reflects that commitment and we are proud to be recognized by Achievers for a second year in a row.”

The Achievers 50 Most Engaged Workplaces™ Awards panel of judges evaluated each applicant based on the Eight Elements of Employee Engagement™: Communication, Leadership, Culture, Rewards & Recognition, Professional & Personal Growth, Accountability & Performance, Vision & Values and Corporate Social Responsibility.

“This marks our fifth year recognizing incredible, employee-focused companies that are changing the way the world works, and we’re excited to honor them with this award,” said Cheryl Kerrigan, Vice President of Employee Success at Achievers. “These companies are setting the benchmark for standards in employee engagement by making engaging, aligning, and recognizing employees a top priority, which sets them apart from their competition.”

The panel of judges included various academics and thought leaders on employee engagement, and included representation from organizations such as the Society for Human Resource Management (SHRM), Human Capital Institute, and Human Resource Executive.

CBRE will be honored alongside other recipients of the Achievers 50 Most Engaged Workplaces™ Award at the awards gala on March 11, 2015 at the Bellagio Hotel in Las Vegas.
