

Merck & Co., Inc. Publishes 2014 Global Corporate Responsibility Report

Merck (NYSE: MRK), known as MSD outside the United States and Canada, recently launched its 2014 global corporate responsibility report, which provides an overview of its priorities, programs and performance in the areas of Access to Health, Environmental Sustainability, Employees and Ethics & Transparency.

With partners around the world, Merck is pursuing opportunities where the need is great and its resources and expertise can have the most impact. Highlights from the 2014 report include:

- Developing breakthrough treatments and partnerships to combat Ebola, cancer, hepatitis C and other unmet medical needs
- Expanding global access to more than 30 medicines to reach at-need communities
- Improving the quality of maternal healthcare for millions of women through Merck for Mothers and its partners in more than 30 countries.
