

2017 Institute for CSR

The Institute for Corporate Social Responsibility offers CSR practitioners the opportunity to earn a Professional Certificate in Corporate Social Responsibility from Johns Hopkins in just six months. This non-credit professional certificate program is an initiative of the Washington Regional Association of Grantmakers and is offered in partnership with Advanced Academic Programs at Johns Hopkins University and the U.S. Chamber of Commerce Foundation's Corporate Citizenship Center.

You will learn skills and best practices from some of the nation's leading CSR practitioners, expand your professional network, and gain the inspiration you need to deliver increased value to your company and the communities you serve.
