

Dear partners,

We welcome you to our 2013 OTE-COSMOTE online Corporate Responsibility Report.

Designed to best cover your needs for easier access and info processing, our new site is our most interactive CR Report created to date.

Thus, we invite you to go online at <http://www.ote-cosmote-cr2013.gr/> and to find out more on what we have accomplished and how we evolved this past year.
