

The startup opportunity in Greece

Capital Link CSR event 08/06/2017

Apostolos Apostolakis

Entrepreneur first

Then angel investor

Finally Venture Capital

A 20mil euro VC fund with the vision to help create international champions...

Global startup opportunity now affecting Greece

Global conditions

Global technology disruption

Democratic entrepreneurship

- Education and work based
- Low and easy access to capital

Wom/PR reinforcing cycle

- Usage of technology
- Coverage of successes

Greek conditions

Talent availability

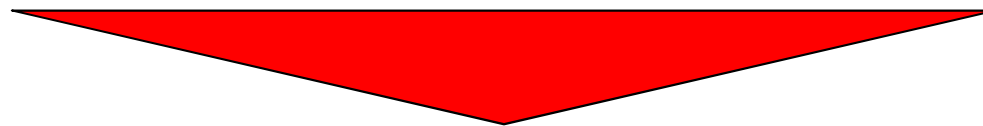

Talent eagerness

- Less opportunities for talent

Less competition

- Low technology penetration

Lower cost to start

Increasing number of new Greek promising startups

Creating a clear opportunity for entrepreneurs, investors and Greece
